The screenshot shows the 'Flight Members' interface. At the top, there are buttons for 'Reload Factors' and 'Auto Flights'. Below these is a table with columns for 'Member', 'Factor', and 'Flight'. The table lists two members: Cate Cookson and Kerry Quigley. The 'Factor' column shows values like '12.2 (Cookson, Catherine)' and '15.0 (Quigley, Kerry)'. The 'Flight' column shows '1st Flight' with a dropdown arrow. To the right of the table is a sidebar menu with options: Flight Members, Applicants, Edit Matches, Edit League, Members, and Email Members. A purple arrow points from the 'Flight Members' option in the sidebar to the table area.

Member	Factor	Flight
Cate Cookson	12.2 (Cookson, Catherine)	1st Flight ▾
Kerry Quigley	15.0 (Quigley, Kerry)	1st Flight ▾

Members will be displayed in order of the Flight, Factor and Name

2. Click Reload Factors to ensure they are up to date.
3. Click Auto Flight to automatically place players in a flightbased on their Factor.
4. Manually Adjust the Flights as required.
